**VOTE BOTH SIDES OF BALLOT**

**NO. 1  
CONSTITUTIONAL AMENDMENT  
ARTICLE X, SECTION 29**

**Rights of Electricity Consumers  
Regarding Solar Energy Choice**

This amendment establishes a right under Florida's constitution for consumers to own or lease solar equipment installed on their property to generate electricity for their own use. State and local governments shall retain their abilities to protect consumer rights and public health, safety and welfare, and to ensure that consumers who do not choose to install solar are not required to subsidize the costs of backup power and electric grid access to those who do.

The amendment is not expected to result in an increase or decrease in any revenues or costs to state and local government.

**NO. 2  
CONSTITUTIONAL AMENDMENT  
ARTICLE X, SECTION 29**

**Use of Marijuana for Debilitating  
Medical Conditions**

Allows medical use of marijuana for individuals with debilitating medical conditions as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. The Department of Health shall register and regulate centers that produce and distribute marijuana for medical purposes and shall issue identification cards to patients and caregivers. Applies only to Florida law. Does not immunize violations of federal law or any non-medical use, possession or production of marijuana.

Increased costs from this amendment to state and local governments cannot be determined. There will be additional regulatory costs and enforcement activities associated with the production, sale, use and possession of medical marijuana. Fees may offset some of the regulatory costs. Sales tax will likely apply to most purchases, resulting in a substantial increase in state and local government revenues that cannot be determined precisely. The impact on property tax revenues cannot be determined.
