

FLORIDA DEPARTMENT *of* STATE

SECRETARY OF STATE CORD BYRD

October 27, 2022

Dear Supervisor,

I am pleased to announce that this week I have completed my visits with all 67 of Florida's Supervisors of Elections. I want to thank you for welcoming me to your office and for your continued partnership in maintaining the highest standards of election integrity in the nation.

As I traveled across the state, I was consistently impressed by your professionalism and the measures you are employing to safeguard the election in accordance with state law.

Most encouraging to me is the obligation you and your staff have to the voters and your communities. Each of you expressed the responsibility you feel to get it right by counting each vote fairly and accurately.

Because of your transparency and preparation, I am confident that you are ready for the 2022 General Election and that Florida will continue to lead the nation in elections administration.

I look forward to meeting you again, soon. Remember, the staff at the Division of Elections and myself are ready to support you should any need arise. Please don't hesitate to reach out.

Sincerely,

A handwritten signature in black ink, appearing to read "Cord Byrd".

Cord Byrd

Florida Secretary of State & Chief Election Officer
